AN AMBULATORY BIOLOGICS INFUSION CENTER IN NORTH TARRANT COUNTY FOR YOUR PATIENTS WITH CHRONIC IMMUNE SYSTEM DISORDERS

Things patients are saying about Kane Hall Barry Infusion:

“Everyone is caring, helpful and AWESOME... Great amenities. All is so comfortable: blankets, recliners, juice. I feel pampered... Thank you for all you do for us... Overall, a 10!”

Our comfortable infusion suite is staffed only by Registered Nurses specialized in infusion therapy. Patients have access to DVD players and Wi-Fi to pass the time comfortably. Complimentary refreshments and lunches are served.
