SHARIQUE ANSARI, MD

Neuromuscular recovery begins with an accurate diagnosis

Led by our neuromuscular specialist, Sharique Ansari, MD, our clinic provides consults (myopathy,

neuropathy, ALS, and other disorders), EMG/nerve conduction studies (with or without consultation), skin biopsy for diagnosis of small fiber neuropathy, and an infusion suite for IVIG.

Dr. Ansari is ABEM Board Certified in Neuromuscular and Electrodiagnostic medicine. Our technologists are all certified by the American Board of Electrodiagnostic Medicine.

Patients Like Dr. Ansari:

"I feel listened to when I talk to Dr. Ansari; he talks 'to' me, not 'at' me."
– Margaret P.

"Really appreciated how Dr. Ansari listened to my foot problems and came up with a great plan to help me."
– Phillip B.

"Dr. Ansari was abundantly informative and sympathetic." – Glenn B.
